

IMMANUEL LUTHERAN PRESCHOOL

Downers Grove, IL 630-968-3448

January—2012

A recent email from a preschool mom...

My son and I were shopping for a few Christmas decorations at Hobby Lobby the other day. In between all the ornaments, ribbons, and wreaths, he found a small nativity set with Mary, Joseph and baby Jesus. He held it up and said "Mommy, we NEED this. We need to have Jesus in our house." And he was right - we do! I appreciate that even though he is now in Kindergarten and no longer at Immanuel, he still carries with him the lessons he learned in preschool. Mainly - that you're better off with Jesus around you! :-)

I am so happy she shared his comment. It is a wonderful reminder how little ones show their love and trust in the Lord and then in a small, but very powerful way, witness and share that love with those around them.

Mrs. Claus came to Immanuel and shared Jesus with the children! We celebrated the birthday of Jesus on December 10 with a full church. Jesus gives us joy at Christmas and through the New Year!

It's a New Year once again!

It's also once again time to think of registration for the new school year of 2012 - 2013.

As members of Immanuel you have an opportunity to enroll at the preschool before we have "Open Registration."

"OPEN REGISTRATION" begins on Tuesday, January 24!

New families will come in and register. In approximately two weeks they will be notified if their name was randomly picked for enrollment.

This is why it is important for members, currently enrolled, and past families to come in and register starting Wednesday, January 11.

Registration involves completing two short forms and a registration fee of \$100.

Everyone may not get their first choice for a certain class, but we will accommodate as best as possible.

Please do not miss this important date for registration!!

Eyes on Him, Mrs. Linda Stumpf

School Resumes
