February—2012

Registration is going well! We enjoyed meeting many new families at our Information Night Gathering the end of January! More information is found below about the up coming preschool year! **Thank you for sharing the preschool with your family, friends, and neighbors!** We now have preschool posting on the [TribLocal-Downers Grove](#) website and also on the [Downers Grove Patch](#) website!

On another note...

Here is an email I recently received! "I talked it over with my hubby & he thinks she should stay at Immanuel Lutheran for several reasons:

1. We love the school & believe in its ministry
2. SHE loves the school & is getting to learn new songs, more about the Bible & do fun activities. I think Immanuel is a great environment for her & I can tell she is "proud" to be where her siblings went!"

Conversation today in the hall!

Me to a mom— "I heard you are pregnant, is that right?"

Mom to me— "Yes I am! And one of the first things I thought of is planning with the other pregnant moms here at the preschool to be in the same TOT Class someday!"

Me to mom— "That is so cute and funny, but I am sure it was not the first thing!"

Mom to me— "Well, almost the first!" 😊

Your child is in good hands at Immanuel Lutheran Preschool!

Fun Day at Preschool

Chiquita, the python!

Here comes the alligator!

Yes, that is a real tarantula!

Dave DiNaso is our Reptileman!

Monday & Tuesday

February

27 & 28

Please spread the word about this also! - Our wonderful preschool and TOT Classes.

TOT Class is a great program for a child and mom, dad or grandparent, etc. to attend. It usually is attended with mom, but dad, a grandparent, or a childcare giver have also been involved. Tot Class meets at Immanuel Lutheran Church one day a week. Each class meets on either a Monday or a Friday morning for one hour and fifteen minutes, 9:00AM to 10:15AM, and also on Friday, 10:45-12noon. The class consists of a playtime, carpet time for finger play and songs, a small project on the theme of the day, large motor activities, snack, and storytime. Children play and socialize together while the adults get to know each other and enjoy the support and friendship they receive from each other. Children who are two years old before September 1, 2012 are eligible to attend. This Christian, caring atmosphere at Immanuel is offered throughout the school year. Call us if you are interested in finding out more. Forms for preschool and TOT Classes can be picked up just outside the first classroom near the preschool office. Eyes on Him,

Linda Stampf
